

Crisp lines and shadows for precision and interest.

With recessed reveals and striking shadow lines, Ribbed and Novenary panels add visual interest, especially when contrasted with smooth surfaces. Novenary’s terracotta tones blend beautifully with natural surroundings, while Ribbed panels are available in virtually any color.

CUSTOM HUES MEET MODERN DESIGN

With Color Xpressions, Ribbed panels are available in an array of custom colors. Learn more on page 6.

Custom color and texture are often used to create depth to make small spaces seem larger. However, even large areas can benefit from these techniques to give flat designs more visual interest.
